## FQ - Floodlight Quartz Halogen Knuckle Mounting Quartz Halogen 500 W

### **DESCRIPTION**

The FQ 500W Quartz Halogen floodlight delivers optimal performance in a compact, economical design. U.L. listed for wet locations.

### **APPLICATION**

Ideal for floodlighting applications in commercial, industrial and residential areas where color rendering is important. Can be used for floodlighting signs, objects and for security lighting around buildings.

### **HOUSING**

The housing is made of high pressure die cast aluminum and finished in a dark bronze polyester powder coat paint finish for lasting corrosion resistance.

### **SOCKET**

Porcelain sockets for quartz lamps.

### **MOUNTING**

Versatile knuckle mount allows mounting on walls, floors and into 1/2" NPS outlet boxes.

### **REFLECTOR**

Die formed, anodized aluminum.

### **DOOR & LATCH**

Die cast aluminum door. Stainless steel door frame latching clip.

### **LENS**

Clear tempered glass, impact and heat resistant.
