VREL - Vandal Resistant Entry Light Fluorescent Twin Tube 2 x 13 W

DESCRIPTION

The VREL is a 5" x 13" Vandal Resistant Entry Light for up to Fluorescent twin tube 2 x 13W lamps. Its rugged die cast aluminum housing and tough polycarbonate lens make it ideal for high abuse, vandalism prone areas. U.L. listed for wet locations.

APPLICATION

Suited for use as an entry light positioned above or beside doorways and entrances in public areas.

HOUSING

The housing is made of high pressure die cast aluminum and finished in a dark bronze polyester powder coat paint finish for lasting corrosion resistance.

BALLAST

Normal Power Factor, Reactor 120V ballast for fluorescent twin tube 13W lamps.

SOCKET

Positive latching thermoplastic socket for fluorescent lamps.

REFLECTOR

Galvanized steel back doubles as a reflector.

GASKET

Silicone rubber for long life.

LENS

Tough injection molded polycarbonate for extra impact resistance. UV stabilized.
